

ROTARY DISTRICT 5130 INTERACT CHAIR

It is time to start the registration process for the 2010 Interact Leadership Retreat at Alliance Redwoods. The date this year is April 9th – April 11th.

It is difficult to balance all of the school districts spring break schedules. There was not one week that was available to us that did not affect one or more school districts. The selected weekend provided us with the best opportunity to share the facility with less people. If you are an advisor and can't make that weekend please find someone that is involved that can, even a parent of an Interactor.

We moved the retreat to April for two reasons;

- 1) All activities are available after April 1
- 2) Likelihood of warmer weather

At the end of last year's conference the advisors met and decided to offer more activities and fewer speakers, so we did that. So far we only have one speaker instead of three for this year. He is a Rotarian and rock and mountain climber. He will be speaking about safety, staying focused and team work all wrapped up in an adventure presentation. We may want to include another speaker, one candidate is an astronomer that would speak under the night sky.

The registration fee this year will remain at \$160.00 per person which will include one camp activity, other activities may be enjoyed at camper's expense. Included activities are; rope challenge, or rock climbing wall, or archery (optional activities range from \$5.00 - \$15.00 per). This year, because of the change in the date, the entire camp and ALL activities will be available to campers, including swimming (we will have to give this one some thought).

The registration packet includes important advisor information, registration form and guidelines. The agenda will be available one week before the camp.

Anyone with any idea for mixers and free time activities should contact anyone listed below. We need some evening activities for Friday and Saturday nights.

Thank you,

Ross Andress
